School of Commerce

B.Com

The Program

" One Degree. Multiple Pathways. A World of Opportunities."

- General
- Accounting and Finance
- Corporate Secretaryship
- Computer Applications

The programme offers exposure to CA, CMA and CS-oriented learning, enabling students to strengthen their academic knowledge while developing industry-relevant skills. The programme develops business knowledge, professional skills, practical competence and global exposure, enabling students to confidently explore careers in, banking, taxation, corporate services, Financial Services, entrepreneurship and emerging areas of digital business.Learning extends beyond the classroom through Value Added Courses, internships, industry interactions, practical projects and professional skill development.

International exposure through the Semester Exchange Programme in Malaysia further broadens students' global perspective. With a strong emphasis on emerging business skills, the programme nurtures knowledge, confidence, communication, analytical thinking and professional competence, preparing students for diverse career opportunities and the evolving global business environment.

At Vel Tech, B.Com is not just a degree—it is a journey to discover opportunities, develop capabilities and build a future-ready career.
