SHIV NADAR LEGACY

SHIV NADAR FOUNDATION

Established in 1994 by Shiv Nadar, Founder, HCL - a US\$34 billion leading global technology enterprise - the Foundation is committed to creating an equitable, merit-based society by empowering individuals through transformational education to bridge the socio-economic divide. Over the last 29 years, the Foundation has touched the lives of over 30,000 families through its marquee institutions in literacy, K-12, and higher education. Today, the foundation has a community of over 100,000 constituents, including globally dispersed alumni, faculty members, corporate executives, research collaborators, and extended families.

The Foundation till date has invested over US\$ 1 billion in its institutions and initiatives across education and art.

Shiv Nadar Foundation pursues the philosophy of Creative Philanthropy; it is a powerful model that envisages the creation of institutions built to last & continue to impact future generations. It is an approach that allows sustained institutionalized philanthropy for long-term, high-impact, socio-economic transformation.

SHIV NADAR INSTITUTION OF EMINENCE

Shiv Nadar Institution of Eminence, Delhi-NCR, is a student-centric, multidisciplinary research university offering a wide range of academic programs at the undergraduate, masters and doctoral levels. The Institution was set up in 2011 by the Shiv Nadar Foundation, a philanthropic foundation established by Mr. Shiv Nadar, founder of HCL.

As the first university in the country to offer a 4-year undergraduate multidisciplinary research degree, the Institution is on the quest to become a globally acclaimed centre for learning, research, and innovation with new age curriculum, excellent faculty-student ratio, undergraduate research opportunities, sports infrastructure, labs, etc. The core of the Institute consists of a select, world-class faculty with doctoral and postdoctoral experiences from leading institutions in India and the world.

Academic research including basic and applied research, scholarly publications, and creative expression are the fundamental building blocks of the academic mission of the University. Shiv Nadar IoE is a center for the discovery and creation of new forms of knowledge and expression, and on a mission to contribute to the process of creating knowledge, not just disseminating it. The University is home to an excellent research infrastructure including a dedicated Research Block spread over an area of 63,000 sq. ft. for experimental research. Central Library, an iconic building on the 286-acre campus, provides access to the latest journals and databases.

SCHOOL OF MANAGEMENT AND ENTREPRENEURSHIP

In this era of constant change and technological disruptions, it is expected for business professionals to think differently to drive innovation, respond to disruptions, create disruptions and leverage the opportunities in the VUCA (Volatile, Uncertain, Complex and Ambiguous) environment.

School of Management & Entrepreneurship (SME) has programs designed to foster the development of resilient global leaders; adept at fueling innovative, pertinent, and implementable solutions for the challenges posed by the new digital economy of the future. The unique pedagogical approach at SME equips students to manage continuously emerging challenges in the VUCA environment. The approach is an amalgamation of advanced knowledge, a blend of academic learning and practical experience, and a multicultural openness and corporate dialogue. The school challenges conventional wisdom, transforms careers, and empowers the students to be the catalyst of social change.

SHIV NADAR MBA (2 YEAR FULL-TIME RESIDENTIAL DEGREE PROGRAM)

THE TAKE-AWAYS

Learning Outcomes

- Solve real-world problems through projects, activities, and business cases
- Develop skills to tackle real business challenges
- Apply skills and knowledge acquired through coursework in team research and presentations
- Foster personal and professional connections with diverse individuals
- Interact and network with industry thought leaders and influencers
- Cultivate a global perspective and understand the interconnectedness of the business world

Experiential Learning

Accelerate your leadership capabilities with a focus on hands-on, experiential learning. The MBA program offers opportunities for real-life learning by solving real-world problems through a diversified roster of projects, activities, and business cases. Students are prepared to take on real business challenges, and the difference will be noticeable throughout their careers.

Business Challenge Practicum (BCP)

Serves as a practice and a capstone in team research and presentations, integrating skills and knowledge developed through coursework.

Summer Internship with Industry

Gain valuable real-world skills, and networking opportunities and learn more about different business functions to determine your career path.

Leadership & Entrepreneurial Spark

Get prepared to be an agent of change within a new venture or an established organization. Building knowledge and skills to open your mind to how the business world really works while preparing you to take challenges head-on. Aiming to inspire new global perspectives with entrepreneurial character and leadership through collaborations.

Atal Incubation Centre (AIC)

Offering a holistic environment to help innovation-driven individuals lay out and succeed in their business ventures.

Distinctive Community

Attracting some of the most talented young minds with diverse cultural, educational and professional backgrounds. The shared experience with students, staff and faculty with a variety of backgrounds and preferences creates the foundation for a lifetime of personal and professional connections. Develop an inclusive culture that empowers people, enables cross-disciplinary collaboration, and commits to equality and diversity.

Thought Leaders Mentorship

Interact and network with the thought leaders & influencers of the industry.

Alumni Network

Get advice, guidance, and industry insights through the acclaimed alumni network.

Multidisciplinary education is one thing that intrigues me and is important in today's era of education. Shiv Nadar IoE enables me to gain a broad understanding of different fields and develop the skills I need to succeed in my career. One of the many reasons is the faculty. Each one of them has extensive experience in their respective fields. Placement is an important parameter for anyone enrolling in a business school. Here, at Shiv Nadar IoE, students have the best possible chance of securing a good career after graduation."

Divya Malpani

BBA - Jaipur, Rajasthan (Class of 2025)

I got offer letters from multiple reputed B-schools, including Shiv Nadar IoE. For a significant amount of time, I was torn between a few of my choices. It was at this point that a mentor of mine asked me to do in-depth research on the faculties and programs in each of my options. The placement records, as he put it, was just one of the by-products of a good MBA. What took priority was the quality of education and level of understanding of the fundamental concepts one would acquire from the two years that would follow. Having done my recce, I came to a realisation that the quality of faculty at Shiv Nadar IoE's MBA program was much higher than any of my other prospects. What helped furthermore was the ease with which I was able to secure an education loan from HDFC Credila and the affordability of the course as compared to other MBA programs all over the country."

Ritwik Chatterjee

B.Tech - Kolkata, West Bengal (Class of 2025)

ALUMNI SPEAK

The faculty of the School of Management and Entrepreneurship has an individual focus approach towards teaching and personalized mentorship. The program structure involved an in-depth picture of various business topics and translated them into real-world applications. I am thankful to the Career Development Center of the University which fosters experiential growth for each student by offering opportunities like individualized career assessment and guidance sessions, personal profiling, and real-time industry exposure. I feel the three things that contributed most were - my cohort, my professors, and on-campus community diversity."

Sargam Palod, Class of 2020

Investment Professional, JP Morgan Chase & Co.

My deepest gratitude to Shiv Nadar Institution of Eminence, particularly to the faculty, for their invaluable support and guidance throughout my MBA journey. It was a dream come true to join an MBA program that promised a wealth of knowledge and experience. I can proudly say that the university has exceeded my expectations in nurturing my skills and character. The amalgamation of character, integrity, and intellect that I've achieved is a testament to the comprehensive approach of the MBA program which is uniquely positioned at Global Standards.

Throughout my MBA, I've had enriching interactions with faculty, research scholars, and students across diverse fields. These exchanges have not only broadened my understanding of various sectors but also enabled me to engage in cross-functional collaborations and entrepreneurial ventures for creating sustainable well-being.

My experiences at the university have taught me invaluable lessons and refuelled me to make a significant impact in the world. I am excited to take forward the generosity, values and knowledge that I've garnered at Shiv Nadar IoE. Once again, I express my heartfelt gratitude to the institution for providing me with the platform to transform from a skilled professional to a purposeful leader."

Sai Teja. K, Class of 2023

Enterprise Solutions Consultant, Innovapptive Inc
