# Master of Business Administration (MBA)

(for Working Executives)

**A two-year programme at  
IIMK Kochi Campus**

## **IIM Kozhikode**

The Indian Institute of Management Kozhikode (IIMK) was established in 1996 by the Government of India in collaboration with the Government of Kerala, as the fifth in the lineage of the eminent and premier management institutions in the country. IIMK has been able to achieve a special status amongst the older generation IIMs in several dimensions, including capabilities, innovation, and ability to scale up and is the fastest growing IIM in the country.

IIMK's mission is to inculcate a spirit of wholesome learning giving equal weightage to academic solidarity and practical application. It aspires to integrate concepts with applications and values, thereby nurturing dependable, capable, caring and fair-minded individuals who will contribute towards the development of communities

## **IIMK Kochi Campus**

The IIMK Kochi Campus was setup in the year 2013. It was envisaged as a platform for the institute to focus on imparting executive education and enabling greater academic collaboration with the industry (including research and consultancy), leveraging Kochi's strategic location and the knowledge base and resources created by IIMK faculty. The campus is currently housed in a modern facility at Athulya Complex, Infopark, Kakkanad.

## **MBA @ IIMK-Kochi (EPGP – Kochi)**

Aligned to IIMK's mission, the MBA at IIMK-Kochi Campus (also referred to as EPGP Kochi) is tailored as a unique 2-year post-graduate programme for working executives. The programme is particularly suited for entrepreneurs and executives who wish to enhance their general managerial and strategic perspectives and advance in their careers. They can pursue managerial education with classes held via online, D-to-D mode during week days (Monday – Friday) and weekends via physical mode, in-campus (Saturday & Sunday).

Participants to the EPGP Kochi are selected through a rigorous, multi-dimensional process. The programme is designed to provide participants an intense learning process while concurrently balancing their occupations. The content and pedagogy aim at building competencies, and preparing participants for responding effectively to a rapidly changing global environment. The programme seeks to enable participants to add value to themselves and to their organizations.

On successful completion of the programme and securing the requisite grades, the participants would be awarded the degree of 'Master of Business Administration' (MBA)
