M.B.A Digital Business

● WHY MBA IN DYPIU?

The two-year master's programme in Digital Business takes a broad approach to the digitalization that shapes society. It addresses the new challenges that digitalization poses for companies and their employees with regard to business renewal and innovation, marketing and digital services. Students gain knowledge in how to analyze the business opportunities that digitalization offers for both new and existing companies. In addition, the programme stimulates creative thinking around digitalization, strategic change, business innovation and renewal. The programme combines theoretical and real-world practical work, and has a multidisciplinary approach covering topics in business administration, Fintech, Marketing analytics and Supply chain Management .

DYPIU has also introduced multiple tracks addressing the future needs of the industry:

- Fintech
- Marketing Analytics
- Supply Chain Management

- **Eligibility Criteria:** Qualifying Examination: Passed Bachelor Degree of minimum 3 years duration. Obtained at least 50% marks (45% marks in case of candidates belonging to reserved category as per Maharashtra state government rules)) in the qualifying examination. DYPIU will offer suitable bridge courses such as Accountancy, Economics etc. for the students coming from diverse backgrounds to prepare Level playing field and desired learning outcomes of the programme.

- **Selection criteria:** Students with good scores in MH-CET, PERA CET, CUET, MAT or any other equivalent competitive exams, DYPIU Entrance Test and/or Personal Interaction.

- **PLACEMENTS:** A professionally managed placement cell assists the student in their overall personality development, effective communication skills, analytical ability improvement, decision-making, industrial training, internships, and campus placement.

● Highlights of Program:

- Multiple tracks like Fintech, Marketing Analytics and Supply Chain Management
