ABOUT MDI

MURSHIDABAD

Management Development Institute (MDI) was set up in 1972 as an autonomous body in collaboration with KFW, West Germany, and with the active support of the Industrial Finance Corporation of India (IFCI).

To impart quality management education, nurture local talent, and groom them to become global leaders, MDI, launched its Murshidabad campus in 2014. The foundation stone was laid on the 31st of October, 2010 at Jangipur, Murshidabad, West Bengal by the then Hon'ble Union Minister of Finance, Shri Pranab Mukherjee.

MDI Murshidabad is the only management institute in the stretch between Siliguri and Kolkata that is approved by the All India Council for Technical Education (AICTE) and accredited by the National Board of Accreditation (NBA) for its flagship PGDM programme. In 2014, Management Development Institute Murshidabad (MDIM) launched its AICTE approved, 2-year full-time Post Graduate Diploma in Management (PGDM). It was commemorated in the presence of the then Hon'ble President of India, Shri Pranab Mukherjee, by an inspiring address to our first batch of PGDM students on 24th of August, 2014. This was followed by a deliberation made by Shri Arun Jaitley, then Hon'ble Minister of Finance, Defence & Corporate Affairs, Govt. of India.

MDIM campus is located in the central part of the State of West Bengal, India. MDIM prides itself in providing Management Education and developing ethical and responsible corporate citizens for tomorrow's India. MDIM seeks to align local aspirations with available state-of-the-art facilities. It continues to uphold its commitment to excellence in management education, as evidenced by its consistent IIRF rankings. Ranked 12th among the Best B-Schools (Private) for PGDM General, MDIM also secures the prestigious position of State Rank 1st for this category. The Institute's dedication to quality education and holistic development is reflected in its overall ranking of 15th among the Best B-Schools (Private), alongside its State Rank 1st and Zone Rank 3rd for the overall category. These accolades highlight MDI Murshidabad as a premier institution fostering academic brilliance and leadership in the field of management.

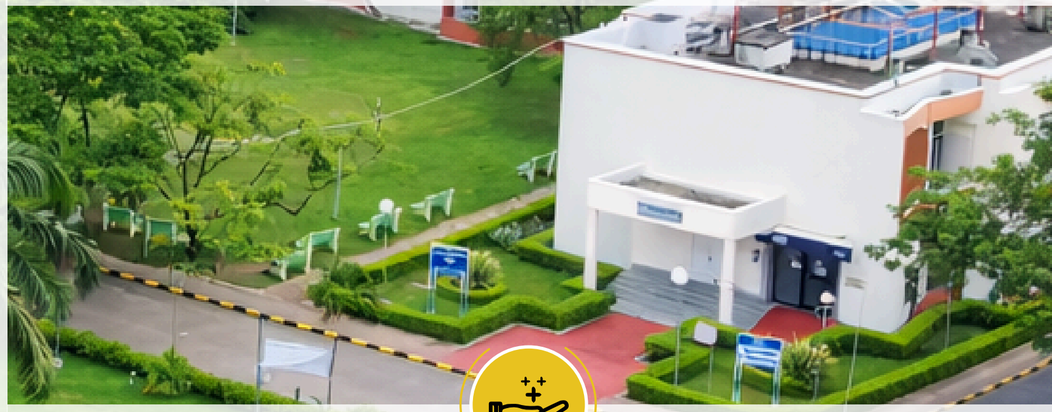

(PGDM) is approved by the All India Council for Technical Education (AICTE), accredited by the prestigious National Board of Accreditation (NBA), and recognized by the Association of Indian Universities (AIU) as equivalent to a Master of Business Administration (MBA) degree. In 2024, the programme further strengthened its academic credibility by receiving renewed membership from the Association of Management Development Institutions in South Asia (AMDISA) for a period of five years.

Strategic Vision

"MDI aims to be a globally recognized management school through academic excellence and continuous innovation to nurture responsible leaders for creating sustainable alternatives"

Strategic Mission

1. Become a globally recognized management school with international and national recognition through knowledge development.
2. Enhance academic excellence in research, consulting, training, and teaching with cutting edge resources.
3. Encourage continuous innovation.
4. Create and nurture socially responsible leaders.
5. Promote sustainable alternatives in decision making.

Core Values

MDI inculcates core values that direct its vision and mission to attain excellence and sustain innovation.

1. **Accountability:** MDI shall ensure accountability to all its stakeholders rooted in internal management and external adherence to law and society norms.
2. **Transparency:** MDI shall operationalize transparency as the ability of individuals in the organization to be responsive, productive, and innovative.
3. **Trust:** MDI shall seek to earn inter-personal trust by adopting governance practices reinforced with policy and process-based decision making.
4. **Inclusion:** MDI shall promote non-discrimination practices for all sections of society that advance cohesion and diversity as affirmative action.
5. **Empathy:** MDI shall foster a culture of care and co-create skills for everyone to move towards their professional goals.

MESSAGE

FROM THE DIRECTOR

Welcome to MDI Murshidabad (MDIM), a beacon of knowledge creation and dissemination in the heart of Murshidabad, West Bengal. Established with the support of the MDI Society, which includes a galaxy of the Chairman and Managing Directors of various public sector banks and insurance company, such as Dr. Debadatta Chand, the President of the MDI Society and MD & CEO of Bank of Baroda; Shri Ratnakar Patnaik, MD of LIC of India; Shri Rama Mohan Rao Amara, MD of State Bank of India; Shri Ashok Chandra, MD & CEO of Punjab National Bank; Shri Brajesh Kumar Singh, MD & CEO of Canara Bank; Ms. Harsha Bangari, MD of Export-Import Bank of India; Shri Asheesh Pandey, MD & CEO of Union Bank of India; and Shri Rahul Bhave, MD&CEO of IFCI Ltd.

MDIM is proud to have a Board of Governors (BoG), led by the Chairperson, Ms. Sangeeta Talwar, that is setting an inspiring vision of nurturing responsible leaders for creating sustainable alternatives. The BoG's mission is guiding and motivating the people of MDIM to become a globally recognized management school and to contribute to building the educational infrastructure in the Murshidabad region of West Bengal for which MDI society has invested appx. 250 Cr. The MDI Board is composed of a very distinguished corporate leaders, entrepreneurs, professor and a government representative who brings invaluable expertise and insight into the academic and operational direction of MDIM.

The MDIM campus was inspired and inaugurated by the Bharat Ratna, Shri Pranab Mukherjee, whose support and vision have been foundational to our growth. His presence at our first Convocation Ceremony in 2016 for the PGDM 2014-16 batch, as the Hon'ble President of India, remains a proud and significant moment for all of us.
We are currently offering our flagship programme, the Post Graduate Diploma in Management (PGDM), which is approved by the All-India Council for Technical Education (AICTE), New Delhi. The programme has also received accreditation from National Board of Accreditation (NBA) and MBA equivalence from Association of Indian Universities (AIU), New Delhi.
In order to maintain its growth trajectory, MDIM continues to introduce innovative academic programmes that respond to the evolving needs of the academic, corporate and social landscapes. The Fellow Programme in Management (FPM), launched in September 2025, has been progressing successfully and marks an important milestone in strengthening the Institute's research-oriented academic offerings.

The AICTE-approved Post Graduate Diploma in Management (Online) programme has also been launched, further enriching the Institute's academic portfolio and opening new avenues for extending quality management education to a wider learner community. MDIM is not merely a place of learning; it is a catalyst for the growth and development of the Murshidabad region, contributing meaningfully to its educational, economic and social progress.

Murshidabad is a historic town and a culturally rich region of West Bengal. Once considered the wealthiest place in the world and it has a unique legacy of craftsmanship. It is known for high-quality cotton and silk clothes. West Bengal is home to 13/51 Shaktipeeth, an adding spiritual significance to our campus. Also, Bhagirathi River, the Farakka Dam, and the sacred places of Mayapur and Tarapeeth are located close to our campus. It offers an inspiring environment for academic and personal development.

The Institute has achieved success in terms of its cutting edge infrastructure and Faculty expertise and also in terms of achieving several memorable milestones. These include organizing MDPs (Management Development Programmes), Online Programmes, International Conferences, Industrial Visits, Business Symposia, Corporate Events, etc. It has successfully hosted several MDPs for renowned organizations such as Life Insurance Corporation of India (LICI), Eastern Coalfield Limited (ECL), MSTC Limited, Garden Reach Shipbuilders & Engineers Limited (GRSE), Rashtriya Ispat Nigam Limited (RINL), Canara Bank, Indian Oil Corporation Limited (IOCL), West Bengal Power Development Corporation Limited (WBPDCL) etc.

At MDIM, we take pride in fostering an academic and congenial work culture built on mutual trust, respect, and collaboration. It is a culture driven by students and faculty alike, where each member is dedicated to achieving excellence and contributing to the success of the institution. I am truly fortunate to lead a team of highly qualified professors and staff members who are not only talented but also deeply supportive of our collective goals. Together, we are committed to serving our stakeholders and making a meaningful contribution at the national and global level.

I invite academic and corporate leaders to join hands in the development and growth journey of MDIM. Your guidance and partnership will be instrumental as we continue to nurture the next generation of future-ready business leaders.

POST GRADUATE

DIPLOMA IN MANAGEMENT

Objectives

Management Development Institute Murshidabad, Post Graduate Diploma in Management (PGDM) is a 2-year fulltime residential programme designed to nurture students and help them build and enhance their managerial competence. The meticulously structured programme will enable students to:

• Understand the social, economic, political, technological and ecological environment to make them environmentally and socially responsible ethical managers through hands-on-learning experiences

• Become effective leaders, who can achieve results beyond expectations and transform organizations

• Emphasis on lateral thinking so that they evolve with innovative ideas, alternative solutions, and set benchmark for others through enabled entrepreneurial skills

• Imbibe values of discipline, integrity, justice and fairness so that they promote and maintain high ethical standards in management

• Develop a global mind-set so that future managers can meet the challenges of international competition

Curriculum Design

The PGDM curriculum has been designed to enrich student's skills and abilities in order to enable them in applying management theories and concepts in live problems existing in business and industry. The programme enables students to identify and diagnose complex problems in management through hands on learning experiences. It includes gamut of pedagogy: lectures, case studies, seminars, assignments, live projects, group discussions, business games, outbound based experiential learning activities, educational excursions, role
plays, simulation exercises, structured and unstructured group work, and field visits.Consistent with state-of-art technology, the programme integrates the use of computers (IT) in the learning process. The students undertake several field based projects (live projects) so that they can get better insights into real life situation. These all will inevitably assist students to achieve high standards of excellence.

Programme Structure

Core Courses

The PGDM course curriculum is spread across six terms with the bulk covered in the first three terms. These core courses will enhance the ability to communicate, analyse situations and make decisions by adopting quantitative and qualitative techniques. It even helps them to develop a holistic view of the different functional areas and the business environment. During this period, it is mandatory to opt for courses in general management and major functional areas, such as Accounting and Finance, Marketing, Operations Management, Information
Management and Business Analytics, Organizational Behaviour and Human Resource Management and Strategic Management and International Business. They get exposure to the basic disciplines of Economics, Behavioural Sciences, Business Communication, Business Law, Quantitative Methods and Decision Sciences.

Evaluation

The evaluation system for the PGDM has been designed to achieve the following:
• Evaluate the progress of learning of each student
• Prescribe and promote certain acceptable and uniform standards of comprehension
• Encourage healthy and constructive competition among the students MDIM follows a system of continuous evaluation. Throughout the term, students have to appear in various tests on their ability to understand concepts, learn techniques and apply them to problems in the real life situation relevant to corporate. At each stage of the course through continuous feedback, the students would be in a position to gauge their performance and take remedial measures in order to make improvements. In each course, a student will be thus awarded a grade. The weighted average of all courses taken by a student in the programme will give the Cumulative Grade Point Average (CGPA).

Specializations

In the second year, the student opts for elective/ optional courses to specialize in a maximum of two functional areas.

The specializations are:

- Finance
- Human Resource
- Marketing
- Supply Chain
- Information Management and Business Analytics
- Strategic Management and International Business

All elective Courses, however, may not be offered, as this would be determined by the number of students showing interest in aforementioned area of specializations. Details about the electives are made available to students when they join MDIM. To specialize in an area, a student must opt for a minimum of five elective courses offered in that area that assigns a weightage of 15 credits and three each for a course. Students will be allowed to opt in a range of 14 to 17 electives. However, CGPA would be decided based on the best 14 electives out of total electives where students have scored relatively better. The Institute has envisaged new electives in line with latest demands of the students and corporate like Econometrics and many more expected to appear in the forthcoming academic session that will meet corporate requirements.

Recognition

On successful completion of the programme requirements, a student will be awarded a PGDM, which has the approval of the All India Council for Technical Education (AICTE), Government of India, accredited by the National Board of Accreditation (NBA) renewed from time to time. The Association of Indian Universities (AIU), New Delhi has granted our flagship (PGDM) Programme equivalent to the Two-Year Full- Time MBA degree of an Indian University.

Summer Internship

At the end of the first three terms, students are required to undertake an industry internship or summer training to work on a project / life problem in an organization. The internship usually spans over a period of eight weeks. This is a compulsory component of the curriculum for the completion of the academic requirements. It is designed to provide exposure to organizational work setting, develop an understanding of business realities, learn how to apply theory in real life business situations and find its relevance.

ADMISSION PROCESS

Eligibility

- The candidates should be able to furnish valid score of CAT 2026/XAT 2027/ valid GMAT.
- The candidates must have at least 50% marks or equivalent CGPA in both X and XII.
- The candidate must have minimum 3-year Bachelor's Degree, with at least 50% marks or equivalent CGPA in any discipline from any University incorporated by an Act of the Central or State legislature in India or other educational institutions established by an Act of Parliament or declared to be deemed as a University under Section 3 of UGC Act, 1956, or possess an equivalent qualification recognized by the Ministry of HRD, Government of India. The Bachelor's Degree or equivalent qualification obtained by the candidate must entail a minimum of three years of education after completing higher secondary schooling (10+2) or equivalent. Candidates appearing for the final examination for the Bachelor's degree (or equivalent examination) and completing all requirements for obtaining the Bachelor's degree by 30th June, 2027 can also apply, subject to furnishing evidence to that effect latest by 1st October, 2027; otherwise they may be asked to withdraw from the programme.
- The basis for computing the percentage obtained by the candidate would be based on the practice followed by the university/ institution/board from where the candidate has obtained the degree/ certificate. In case of the candidates being awarded grades/CGPA instead of marks, the equivalence would be based on the equivalence certified by the university/institution/board from where they have obtained bachelor's degree/certificate. In case the university/ institution /board does not have any scheme for converting CGPA into equivalent marks, the equivalence would be established by MDIM by dividing obtained CGPA(X) with the maximum CGPA(Y) and multiplying fraction so obtained by 100 e.g. (X/Y)*100.
