About the Programme ▶▶▶▶

The B.Com. programme at Vel Tech School of Commerce is designed to provide a comprehensive foundation in commerce. This program equips students with the knowledge, skills, and ethical principles required to succeed in today's competitive global marketplace. With a blend of theoretical knowledge and practical exposure, the B.Com program prepares graduates to excel in various sectors, including finance, banking, marketing, accounting, and Human Resource Management.

Why Choose B.Com. at Vel Tech? ▶▶▶▶

Industry-Relevant: The B.Com. programme focuses on contemporary business practices, integrating core commerce subjects with specializations in areas such as General, Accounting and Finance, Corporate Secretaryship and Computer Applications. The curriculum is regularly updated to ensure alignment with the latest industry trends and practices.

Practical Learning: Students are encouraged to apply their theoretical knowledge through internships, live projects, and case studies. With strong connections to industry leaders, Vel Tech offers real-world exposure, helping students bridge the gap between academics and professional practice.

Experienced Faculty: Our faculty includes a mix of academicians and industry professionals who bring vast experience to the classroom. They mentor students and guide them through academic as well as career development.
