# INTERNATIONAL HIGHER EDUCATION OPPORTUNITIES

JGLS has inked historic Memoranda of Understandings (MoUs) with prominent American universities to establish double-degree programmes. Through these programmes, students will be able to earn an LL.B. from JGLS and a J.D. from the partner American University, in as much as two years less time than it would otherwise take, if they were to pursue these degrees sequentially. This reduction of two years does not in any way affect the rigorousness of the course, and students get two separate degrees of LL.B. and J.D. in four years. This is done through extended exchange frameworks and credit transfers.

The three universities with which we currently have this arrangement are: Seattle University, Indiana University Bloomington, Maurer School of Law and University of Arizona, James E. Rogers College of Law. Both these institutions offer generous scholarships to JGLS students in the past.
