IIT Madras Zanzibar

Admissions for AY 2025-26

Open from Feb 01, 2025 to all nationalities

The BS & MTech programs are completely physical, in-campus program at Zanzibar. Upon graduation, students will receive either a BS or an MTech degree from IIT Madras, India, depending on the program in which they are enrolled.

BS in Data Science & AI

The BS in DS & AI is a 4-year UG program equips students with the knowledge & skills needed to thrive in the fast-paced and ever-evolving field of data science and artificial intelligence. The program blends foundational science and mathematics courses with specialized DSAI subjects. With a strong emphasis on practical experience and project-based learning, with hands-on expertise in data analysis, machine learning, natural language processing and more, students will have the opportunity to apply their knowledge to real-world challenges.
