

Vedam Refund Policy

Overview

Please note this policy is pertaining to the 2025 intake. An updated version of the policy for 2026 intake will be out soon.

This policy outlines the guidelines for refunding seat block fees for students at Vedam School of Technology. Students and parents are encouraged to review these terms carefully before making any decisions.

Students must submit an official refund request via email to connect@vedam.org from their registered email ID. The request must include payment details and the reason for the refund.

Refunds will be credited to a designated bank account, and students must provide accurate bank details with proof. The institution is not responsible for refunds processed with incorrect details provided by the student or parent.

Special consideration refund requests will be processed only after verification and must be submitted within the deadline. Such requests must be made within 14 days of the official Class 12th result announcement date.

VSAT Exam Fee is non-refundable.

Semester fees, if paid, are refundable as per the [UGC Refund Policy 2024-25](#)

Refunds, if approved, will be processed in 45 days from the approval date.
