# REVATHI INSTITUTIONS

## SHAPING TOMORROW'S HEALTHCARE HEROES

Revathi Institutions was founded with one mission — to shape the next generation of healthcare professionals through education that's inspiring, skill-driven, and rooted in real-world experience.

**Backed by Revathi Medical Center – Tirupur's No.1 Super Specialty Hospital with a 30-Year Legacy**, we bring together high-quality academics and hands-on clinical training under one roof.

Since 2011, we've grown into a hub of healthcare education with four institutions:

**REVATHI  
COLLEGE OF  
NURSING**

**REVATHI  
INSTITUTE OF  
PHYSIOTHERAPY**

**REVATHI  
COLLEGE OF  
PARAMEDICAL  
SCIENCES**

**REVATHI  
INSTITUTE OF  
OCCUPATIONAL  
THERAPY AND  
MEDICAL RESEARCH**

**Duration:** 4 Years of Study & 6 Months of Internship

**Eligibility:** Pass in HSC (Physics, Chemistry, Biology) or Equivalent

AFFILIATED TO:

APPROVED BY:

Counselling Code

**954**

## **ABOUT THE COURSE:**

The BOT program at Revathi Institutions prepares students to become skilled occupational therapists who help individuals of all ages live more independent, productive, and fulfilling lives. From children with developmental challenges to adults recovering from injury or illness, occupational therapy plays a vital role in enabling participation in everyday activities. Through hands-on training and a holistic approach to care, students learn to assess, plan, and implement therapy for physical, emotional, perceptual and cognitive needs.

## **CAREER PROSPECTS:**

- Occupational Therapist in Hospitals & Rehabilitation Centers
- Pediatric OT in Regular Schools, Special Schools & Clinics
- OT in Geriatric Care / Old Age Homes
- Neuro Rehab Therapist
- Mental Health Rehabilitation Specialist
- Ergonomic Consultant in Corporate Settings
- Private Practitioner or Clinic Owner
- Home Health OT Services
- Professor or Researcher in OT
