- strength of students in branch A does not fall below 90% of its sanctioned strength (equivalently at most 10% students of sanctioned strength of a branch are permitted to leave it). The request of the student will be reconsidered again, strictly on the basis of merit of CGPA obtained during first year of study here, if she/he does not violate rule (a) due to another student getting transferred to branch A.
- 3 Applications from TIET students who satisfy the eligibility criteria will be considered in the order as given below.
- All students who satisfy the norms with CGPA more than 8.5 (7.0 for SC/ST/PH) are allocated first.
 - Students who were eligible for admission to branch B at the time of entry to TIET Patiala are allocated subsequently.
- 4 If a student S1 is not permitted to change from branch A to branch B, any other student S2 from any branch with CGPA less than S1 will also not be permitted to change to branch B, even if a vacancy gets created at the later stage during counselling.
- 5
- The rules are also applicable for all categories with the concession in eligibility criteria mentioned in rule 1 for SC, ST and PH students.
 - Every student has a category attribute, which is one of GE, BC, SC, ST or PH.
 - A vacant seat that is available for allocation is defined to be one of five different types. The types are i) open GE, ii) reserved for BC, iii) reserved for SC, iv) reserved for ST and v) reserved for PH.
 - The change in branch will be against the vacant seats of that branch only.

- (e) A vacant open seat in Branch B, when allocated to a student in branch A belonging to category X, creates a vacant seat in branch A of type "reserved for category X".
 - (f) A vacant seat of type "reserved seat of category X" is available for reallocation only to students of category X.
