RESEARCH & INNOVATON

A full-fledged, R&D Incubation Centre is fully operational at IIMT. Grants have been obtained by our researchers from the Ministry of MSME & Department of Science & Technology.

Our young team of researchers achieved a landmark by presenting an AUTOMATIC CAMOUFLAGE GUN at DEFEXPO-20, Lucknow (U.P.) in 2019. The team was praised by Hon'ble Prime Minister, Mr. Narendra Modi for its efforts.

IIMT'S WINNING EDGE

IIMT Group of Colleges is always in the process of creating technical tie - ups and collaborations.

Tie - ups and Collaborations:

- (a) Toyota Technical Education Programme (TEP): For imparting automotive training on the latest automotive technology, service techniques and on the job training at Toyota dealership.
- (b) Indian Society for Technical Education (ISTE) Faculty Chapter: For the enhancement of research facilities, IIMT has tied up with ISTE with the aim of producing and developing top quality professional engineers.
- (c) ISIE Collegiate Club: With ISIE Collegiate Club, IIMT has been functioning for developing the interest of students in automobile engineering and enhancement of research in IC Engines.
- (d) R & D Cell: To develop entrepreneurship skills in students and provide funds to establish enterprises based on research projects. We have successfully got many sponsored projects from Govt, of India.
- (e) Pradhan Mantri Kaushal Vikas Yojana (PMKVY) : Government of India approved our "IIMT College of Polytechnic" for two job roles and IIMT College of Engineering for three job roles.

THE EDIFICES "ARCHITECTURE PAR EXCELLENCE"

Infrastructure

Infrastructure is the foundation on which a good institutional environment is built. IIMT Group of Colleges has four distinct campuses at different locations. Three of them are located in Meerut: Two at Mawana Road, Meerut and one at Mall Road, Meerut. The fourth campus is located in Greater Noida. Each campus is well laid-out in a pollution-free area with aesthetically planned landscape providing environment conducive to professional studies with ample facilities such as Auditorium, Lecture Halls, Conference Halls, Video Conferencing, Multimedia Projectors, well-stocked Libraries etc. to prepare the students to boldly face the challenges ahead in the corporate world and in the Society as well. The students living in the hostels are provided with well-set rooms, neat and clean dining halls, well equipped gymnasium and sports facilities. ATM facility is available within the campus. Student friendly approach and security is of paramount importance to the institution.

Library - "The Knowledge Powerhouse"

A well-stocked library is the backbone of any academic institution. A library plays a very important role and shares its commitment towards achieving excellence in academia. Each college of IIMT has its own well-stocked library with spacious reading rooms. The libraries of IIMT have a total stock of approximately 5,00,000 publications and more than 600 National and International Journals in Commerce, Management, Science, Engineering, Law, Education, Pharmacy etc. The library also contains a rich collection of assorted material on general awareness. The institute is also a member of DELNET, which provides ready access to libraries of leading institutions of the world, online data base subscription for data related to industries and economics which acts as supportive research materials for faculty and students. Special audio-video lectures are arranged in library for students. Students can also login to different research - oriented professional societies to enhance their learning and research

At IIMT, the IT and Computer facilities are at par with state-of-the-art technology. The computer labs in the academic blocks and individual network facility in the hostel rooms make easy access to the material required for studies by the students at any time. Every college of IIMT is well-equipped with air-conditioned computer labs and unlimited internet facility. It is designed, laidout and equipped so ergonomically that students and trainees can spend hours together at their computer terminals without fatigue. The total infrastructural facilities available at the computer center in terms of hardware and software enables the students to develop their skills.

IIMT RADIO & NEWS CHANNEL

The future RJs at IIMT are trained to broadcast education, health, culture, social, consumer law and agriculture based programmes through a community channel. Its programmes also include interviews of community people invited as guests to various shows. In order to impart practical know how of audio and video production, latest equipments are installed to provide a conducive environment for the future Radio Jockeys and Reporters.

LABORATORIES

The hands-on practical experience is an essential part of learning and it makes the students more confident in their respective areas of study and also enhances their morale to become true world class technocrats. At IIMT, we have state-of-theart laboratories functioning in campus under the guidance of our expert faculty members & lab instructors in different fields like Matlab, AutoCAD, Embedded Systems, Cloud Computing STAADPRO etc. These labs are well-equipped with modern scientific instruments and ultra-sophisticated equipments of international standards. IIMT is inclined towards R&D and innovation. To facilitate the same, it has its own Research & Development Cell to develop approaches, practices and systems that are driven by global trends.

FITNESS & WELLNESS

YOUR GOALS SHOULD BE OUT OF REACH BUT NEVER OUT OF SIGHT.

THE GYM

Well-equipped and scientifically laid-out gymnasium has been developed for the students where one can see the health & fitness freaks working out. Our gymnasium is equipped with many modern fitness equipments and attached dressing room. The students, thus find ample resources for toning up their bodies and minds.

NCC

IIMT Group has a Government approved NCC centre to mould the youth into united, secular and disciplined citizens of the Nation.

We also have an operational cricket and a shooting academy.

HOSTEL FACILITIES

"A Home Away from Home"

Though away from home, yet IIMT boarding facilities make it a sweet home. Boarding facilities at IIMT hostels are available within campus for boys and girls separately. The institution has self-contained hostels with more than 800 rooms with attached bathroom, having the capacity of 1600 students on twin-sharing basis. Other facilities include excellent dining halls, indoor games, exercising equipments, communication centre with internet facility and fields for outdoor games.

- Rooms are spacious, hygienic, well-ventilated and fully furnished for its residents.
- Delicious, nutritious and hygienic meals are served in hostel dining halls. Menu is prepared by the students themselves.
- Green lawns in the campus always freshen up the hostellers besides being main attraction for those who love nature.
- Twenty four hours water and electricity supply is available.
- Laundry facility is provided to the hostellers to free them from the worries of daily life and help them concentrate on their studies.

MESS & CAFETERIA - "NUTRITIOUS DELICACIES"

IIMT has a unique mess in the hostels wherein a variety of Indian, Chinese and Continental meals and snacks are served to the multiethnic tastes of the students. All cafeterias ensure nutritious refreshment for busy minds. Hygienic, healthy food and snacks are provided to both students and faculty members at affordable rates.

"The most pious and purest place on the earth is a Temple"

Temple is a place where one approaches God and divine knowledge can be discovered with the goal of enlightenment and liberation. We focus on all the aspects of everyday lifereligious, cultural, educational as well as social. IIMT campus has a temple where students experience contentment and holiness.
